February 2025

Director's Message

Welcome to the wonderful month of **February**! With Valentine's Day fast approaching there is a definite feel of love in the air at Hope Christian School.

I look forward to sharing all the excitement that the children have when celebrating this special holiday that focuses on **LOVE** and **FRIENDSHIP** ... two of the most important things that someone can have in their life. We have a lot of special events coming up this month. Please keep this newsletter handy and refer to it for events and information and each teacher will send home information with specific dates and times.

2025-2026 HCS Fall Registration

Registrations for the 2025-2026 school year are currently underway. In-house registration began January 13th and it

opened up to the public on January 27th. There was quite a long line of people waiting to register their children in the parking lot when we pulled in at 6:30 a.m. in the morning. For lack of a better word, I was totally flabbergasted when hearing that the first people started lining up at 5:00 p.m. the night before! I am honored and humbled to be part of this wonderful school that is in such demand. I only wish that we had the space to accommodate everyone. We will begin working diligently on this registration puzzle and emails will be sent out in a few weeks confirming spots for next year. **Please be sure that your application included the \$40 registration fee and the 1st tuition increment payment for speedy processing. The Vanco auto-deduct does NOT carry through from year to year, a new voided check must be supplied each year.**

GROUNDHOG DAY ...

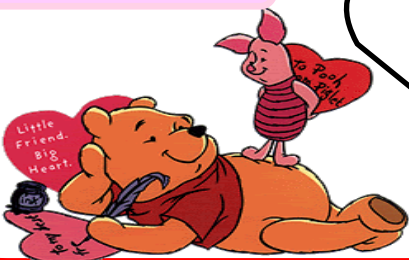

is part of popular culture in our country. It centers around the groundhog being able to predict the weather.

Even though I may not believe that the groundhog can predict our weather, I can't help but to root for the little guy each year **NOT** to see his shadow as I long for Spring after a long, cold winter!

GO, PHIL, GO !!

Happy Valentine's Day!

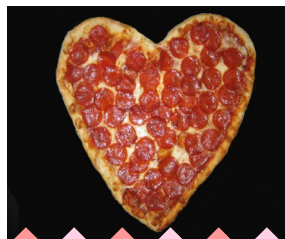

Look for information from
your child's teacher
regarding specific dates &
times for class
