Director's Message

Happy New Year Everyone!

Welcome Back! I hope that everyone enjoyed a wonderful holiday!

I look forward with excitement to all that 2025 has to offer here at Hope Christian School. The New Year is a time for many to make new goals and resolutions but ours remains the same at HCS... we are committed to providing your children and your family with the best possible early childhood experience in a secure, loving, academic and Christian environment.

In 2025, I wish you Beautiful Moments, Treasured Memories and all the Blessings a heart can hold !

Lord, Thank you for bringing us into this New Year.

Thank you for all the exciting things that this New Year will bring. Thank you for the chance to make changes and set goals. Please help us to make realistic resolutions, and remind us to keep trying when we can not reach them.

Thank you for a fresh start everyday. We know that you are beside us on our journey. Help us to encourage those around us and to never give up and to have faith in you always.

Amen

Getting Back into the Routine after the Holiday Break

Being out of school for a couple of weeks during the holidays is plenty of time to get children of all ages completely off schedule. With shopping, family get-togethers, traveling, or the late night celebrations on New Year's Eve, your children may have forgotten what it means to get up on time and go to school ready to learn. The good news is that getting your children back on track is not as stressful as doing the same after the much longer summer break. Here are some ideas that can help smooth the transition from school to home and back to school over the holiday break.

Wake Up Early: Start waking up at their normal school time several days before it's time to go back, even if they stayed up late the night before. They will likely have no trouble going to bed on time on days when they woke up early.

Talk About School: Keep school at the forefront of everyone's minds by talking about it each day of the holiday break. Ask them which friends they are looking forward to seeing when they go back and which favorite school activities they missed.

Speak with the Teacher or Director if you have continued concerns!
