Hope Christian School November Newsletter 2026

Director's Message

I am going to be honest with you, I very often recycle the monthly newsletters from year to year just changing dates and adding or deleting minor details that have changed...because I figure, why re-invent the wheel every year.

But...I can not do that this time because I am really feeling so many emotions that I am going to go original this month! :)
November is a month to be grateful and give thanks...and I am definitely feeling it!

I can't thank the HCS staff and HCS families enough for the generosity, kind words and support that I have been receiving! I am overwhelmed and moved beyond words (Yes!! Judy... speechless!)

I don't know what the outcome of my medical eye issue will be, but I am a firm believer that everything happens for a reason, even if you don't know what that is at the moment.

I can tell you that this made me realize how blessed that I am, being surrounded by such wonderful people. It also made me realize that life can change on the drop of a dime. There will be good times, bad times, fun times and tough times. It's the tough moments in life that serve as a powerful reminder to never take anything for granted, always be grateful for life & health.

But most importantly... As much as I try to be the orchestrator of every aspect of my life, God is in control and I must surrender and place my total faith in Him.
My dad always said... "Keep the Faith!"

**Praise the Lord! Oh give thanks to the Lord, for he is good,
for his steadfast love endures forever!
Psalm 106:1**
