Hope Christian School Illness Policy 2025

Hope Christian Summer Camp serves well children and shall not permit a child who has any of the illnesses or symptoms listed below to be admitted to the school or to stay in school shall the illness begin after arrival.

We will strictly enforce this policy for the well-being of all the children and staff at Hope Christian Summer Camp.

The symptoms and illnesses shall include, but not be limited to, any of the following:

- Fever over 100 degrees
- Two or more episodes of diarrhea
- Severe pain or discomfort
- Vomiting
- Red eyes with discharge
- Lethargy that is more than expected tiredness
- Unexplained skin rash or skin lesions
- Infected, untreated skin patches
- Difficulty breathing or severe coughing
- Mouth sores

If a child who has been admitted to the school manifests any of the above illnesses or symptoms, he or she will be removed from class and parent/guardian will be called for immediate pickup.

The child must be symptom free for 24 hours before returning to school and in some cases, may require a doctor's note upon return.

Hope Christian School Expulsion Policy

Unfortunately, there are sometimes reasons we must expel a child from our program either on a short term or permanent basis. We want you to know that we will do everything possible to work with the family of the child(ren) to prevent this policy from being enforced. The following are reasons we may have to expel or suspend a child from this center:

Immediate Causes for Expulsion

- ☐ The child is at risk of causing serious injury to other children or him/herself.
- ☐ Parent threatens physical or intimidating actions towards staff members.
- ☐ Parents exhibits verbal abuse to staff in front of enrolled children.

Parental Actions for Child's Expulsion

- ☐ Failure to pay/habitual lateness in payments.
- ☐ Failure to complete required forms including the child's immunization records.
- ☐ Habitual tardiness when picking up your child. Verbal abuse to staff.

Child's Actions for Expulsion

- ☐ Failure of child to adjust after a reasonable amount of time.
- ☐ Uncontrollable tantrums/angry outbursts.
- ☐ Ongoing physical or verbal abuse to staff or other children.
- ☐ Excessive biting.

Prior to expulsion, a parent will be called, and correspondence will be sent home indicating what the problem is, and **every** effort will be made by both the center and the parent to correct the problem. If, after one or two weeks, depending on the risk to other children's welfare or safety, behavior does not improve, and the center finds that they can no longer accommodate the child, the parent will be asked to remove him/her. The parent will be given a minimum of one week's notice to find another center to provide care for this child.
